BUCKET!
Oh my god I can't believe I just burst out of Dust's lifelong friend! He'll be okay, right? In the shorts it was usually caused by dynamite!
He'll be fine. He's gotten pretty good at repairing ol' Bucket.
Now what about you? Aren't used to it, right? You're handling it pretty well so far, I'd say!
So far, so good.
...
I think?

Hey, you sure? Feeling a lot of tension here.

Holy crap you're talking with me in my head!

I don't like it either but if we're gonna be stuck like this, the least we can do is get you used to it, and fast!

Woah why are we hiding now? You're a toon!

Blot, it's . . . you know. . . embarrassing.

Embarrassing? In this place?

This wolf, I mean, me! I drew it as fan art for a contest when I was a kid. It's just weird, okay?

That's adorable!

Seriously!

Didn't know you were an artist, too!

I'm not! Haven't drawn since that contest. "Design your own toon" and then I drew a rip-off of the the big bad wolf!

Toma, sure you're okay?
I don't know why I'm feeling like this, Blot!
Maybe it's . . .
B~back off!
Woah! Hey. Hey! Wow, there are others here?
Um.
I'm a human, too, you know!
